ORDINANCE 2025-08-26**

AN ORDINANCE OF THE CITY OF DECATUR, TEXAS ADOPTING A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025, AND ENDING SEPTEMBER 30, 2026, IN ACCORDANCE WITH THE CITY CHARTER AND STATE LAW; PROVIDING FOR THE FILING OF THE BUDGET AS REPRESENTED IN "SCHEDULE A"; PROVIDING FOR THE INCORPORATION OF PREMISES; PROVIDING A CUMULATIVE REPEALING CLAUSE; PROVIDING SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Decatur, Texas is a Home Rule Municipality acting under its Charter adopted by the electorate pursuant to Article XI, Section 5 of the Texas Constitution; and

WHEREAS, pursuant to Section 9.05 of the City Charter and Section 102.006 of the Texas Local Government Code, the City Council held a public hearing on the proposed budget on August 25, 2025, at 6:00 p.m. at Decatur City Hall; and

WHEREAS, the City Council now wishes to adopt the proposed budget for fiscal year beginning on October 1, 2025, and ending on September 30, 2026, through a record vote, pursuant to its Charter and state law.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DECATUR, TEXAS, THAT:

SECTION 1. INCORPORATION OF PREMISES

All the above premises are found to be true and correct and are incorporated into the body of this Ordinance as if copied in their entirety.

SECTION 2. BUDGET ADOPTED

The budget of the Revenues of the City of Decatur and the Expenses of conducting the affairs thereof for the ensuing Fiscal Year beginning October 1, 2025 and ending September 30, 2026, as modified by the City Council, be, and the same is, in all things, adopted and approved as the said City of Decatur budget for the Fiscal Year beginning the first day of October, 2025, and ending the thirtieth day of September, 2026.

SECTION 3. FILING OF BUDGET

A true and correct copy of this Ordinance along with the approved budget as represented in attachment "Schedule A", and any amendments thereto, shall be filed with the City Secretary. In addition, the City Manager is hereby directed to file or cause to be filed a true and correct copy of this Ordinance along with the approved budget as represented in Schedule A attached hereto, and any amendments thereto, in the office of the County Clerk of Wise County, Texas, as required by law.

SECTION 4. CUMULATIVE REPEALING CLAUSE

This Ordinance shall be cumulative of all provisions of ordinances and of the Code of Ordinances of the City of Decatur, Texas, as amended, except where the provisions of this Ordinance are in direct conflict with the provisions of such ordinances and such Code, in which event the conflicting provisions of such ordinances and such Code are hereby repealed.

SECTION 5. SEVERABILITY CLAUSE

It is hereby declared to be the intention of the City Council that the phrases, clauses, sentences, paragraphs and sections of this Ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this Ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Ordinance, since the same would have been enacted by the City Council without the incorporation in this Ordinance of any such unconstitutional phrase, clause, sentence, paragraph or section.

SECTION 6. EFFECTIVE DATE

This Ordinance shall be effective upon its adoption on second and final reading as the law requires.

To: Honorable Mayor & City Council
From: Nate Mara, City Manager
Re: FY 2025-2026 Proposed Budget & Tax Rate
Date: Thursday, August 7, 2025

It is my privilege to present the City of Decatur's FY2026 Budget and Tax Rate. This budget was drafted on several principles established early in our process:

1. Estimated revenues must meet or exceed expenditures
2. Reduce the tax rate
3. Build fund balance, where possible, according to policy
4. Proposed tax rate shall not exceed the de minimis rate
5. Budget reflects FY25 year with any new items justified through budget committee
6. No new debt impacting this year's I&S rate
7. New debt anticipated for FY27 (Water, Wastewater & Public Safety)

The City will adjust the following expenditure areas:

Personnel

- Fund Merit at 2% (Non Public Safety Staff)
- Fund Public Safety Step Plan Funding
- Fund Public Safety Overtime higher than FY25
- Fund Longevity, Education and Certification Pay (all employees)
- Frozen Full Time Positions where appropriate
- Anticipate a rise in health insurance costs
- Continue with contracted Engineering & IT Security Services

Operating & Capital

- Selective paving/ curbs/ sidewalks
- Continued to support Public Safety & Public Works Leasing Program
- Continue to support new and subscription based technology where necessary
- Equipment for Public Works (water/ wastewater)

Debt Obligation

- Existing Certificate of Obligation (CO) bond obligations are \$2,330,472 (due FY2026)

The tax rate is proposed at \$0.565713 which is a \$0.011838 or 2.05% decrease from \$0.57755 last year. Our tax decreases are due to an increase in property value totaling more than \$17,503,450.

Per \$100,000 of home value, citizens will see an average decrease in property tax of \$11.84 this year. Of our total tax rate \$0.158705 is collected for paying debt obligations. The remaining \$0.407008 in levy will cover maintenance and operations. It is important to point out that the property tax rate for debt along with maintenance and operation was reduced overall due the increase in property values and added new construction.

From the beginning of our FY26 preparation, the primary focal point for the budget committee, council, and city leadership has been employee retention while continuing to take steps in a direction to meet or exceed the desires of our citizens. This has proven to be challenging, during a time when we are encountering daily fiscal obstacles while trying to maintain the highest quality of life for all. With sales tax gradually increasing upward, we are very fortunate to have diverse sources of revenues.

We are grateful for an additional \$622,744 in total revenues (all sources) for FY 2026. We look forward to the many vital projects in our upcoming Certificate of Obligation projects. These will impact the tax rate in FY2027, not this year.

While meeting the needs of our citizens, staff is pleased to also be meeting the objectives of the council and budget committee for the coming year. Thank you for the Merit and Step programs for salary increases, longevity, education, certification pay and maintaining a forward look toward skyrocketing health costs.

I would be remiss if I didn't give praise to our department leadership, managers and those serving our budget committee. Their vision and hard decisions made this one of the most challenging yet rewarding cycles to date. Finally, we thank our citizens and those who work in or visit our beautiful city. We are grateful to serve such a wonderful community.

Yours in service,

Nate Mara, City Manager

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.⁴² The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value.⁴³

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;⁴⁴
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴⁵ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴⁶

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴⁷

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁴⁸ This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁴⁹

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁵⁰

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁵¹

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
